INSTRUCTIONS

Use this form to re-register, transfer, or gift shares **in kind**. (Example, shares in a Clipper Fund account will be re-registered, transferred, or gifted to another Clipper Fund account.)

If there are any outstanding stock certificates on the account that you wish to re-register or transfer, please return the certificates, unsigned, along with this form.

To avoid delays, be sure the requested transaction will not reduce each fund balance to below the established minimum that must be met and maintained. Please check the current prospectus at www.clipperfund.com for these minimums or call Investor Services for additional information.

Please note that if you are using this form to GIFT shares, the recipient of your gift **may** be required to sign this form. Please see Section C, Number 2 and have the recipient sign the form when applicable.

A. EXISTING ACCOUNT INFORMATION

When transferring shares, non-covered shares (those shares purchased prior to January 1, 2012) will be depleted first. In most cases, the remaining covered shares (those shares purchased after January 1, 2012) will be depleted using the cost basis method currently selected for the existing account.

If you are transferring covered shares AND the current cost basis election for these shares is Specific Lot Identification (SLID) you are required to notify us of the EXACT shares, including purchase dates, that you wish to transfer.

If you wish to change your cost basis election on your covered shares prior to this transfer, please complete the Clipper Fund Cost Basis Change Form and submit it along with this request.

In the case of multiple recipients, shares will be transferred on a pro-rata basis unless otherwise requested. Pro-Rata applies to covered and non covered shares.
